

Dallas Center-Grimes Community School District Personal Technology Plan (PTP)

Student/Borrower: _____ Grade: _____
Last First

Homeroom Advisor: _____ Home Phone: _____

DC-G Community School District allows parents the opportunity to personalize their child's interaction with the laptop computer. In essence, parents will be creating a Personal Technology Plan (PTP) to best fit their child's needs and represent your family's values. Please select from the options below.

Please Check Only ONE of the Security Options:

Option One (If you check this option sign form and return)

DC-G Community School District has the ability to route all Internet usage through the District's network devices and filtering system regardless of a laptop's location. Categories have been chosen by school officials to block social networking sites (i.e., FaceBook, MySpace), gambling, gaming, sexual content, pornography or other sites deemed inappropriate for students by school officials and/or inconsistent with use of the laptop for educational purposes and the District's Acceptable Use policies.

OR

Option Two (If you checked this option, please select curfew times below, sign form and return)

This option includes all of the features in Option One plus parents specify a time when the laptop computer becomes inoperable each evening. The laptop will shut off and will be unusable when the curfew time is reached and will not become usable again until 6 a.m. the next morning.

Please indicate curfew shut off time(s) below for both columns.

Sunday-Thursday

Friday & Saturday

****Notice to Parents for Students on a 504 Plan or IEP****

The Mac Operating Systems (OS 10.7) allows student laptop computers certain accommodation options for students exhibiting fine motor skill challenges or visual impairments. Keyboard devices such as a mouse can be made available and the size of on-screen images can be increased. If he/she needs such accommodations, please contact your child's teacher.
